COMPLETION OF FILING REQUIREMENTS
—NONPROVISIONAL APPLICATION

- I. This replies to the discussion with USPTO employee Shian Luoag in the PCT office. This submission of the correct oath/declaration for the above application number is to replace the incorrect oath/declaration that was entered into the file wrapper. It appears that the incorrect oath/declaration was entered into the file wrapper of 10/516,386 due to a mislabeling of the application number by another law firm on their oath/declaration.

DECLARATION OR OATH

- II. Enclosed is the original declaration or oath for this application.

EXTENSION OF TIME

- IV. The proceedings herein are for a patent application, and the provisions of 37 C.F.R. § 1.136(a) apply.

Applicant believes that no extension of term is required. However, this conditional petition is being made to provide for the possibility that applicant has inadvertently overlooked the need for a petition and fee for extension of time.

TOTAL FEE DUE

- V. The total fee due is:

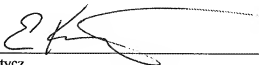

Completion fees	\$0.00
Extension fee (if any)	\$0.00
Total Fee Due	\$0.00

PAYMENT OF FEES

VI. Charge any fees required by this paper or credit any overpayment in the manner authorized above.

Date:

3/9/09
